

# Fun Games 2022

Having received no response to requests for the traditional Fun Games contests (biggest paws, etc.), those will take a rest for this year.

In their place, however...well...it's a surprise but you'll surely regret not taking part if you opt out! Team activities (random teams), individual activities, as well as the popular cake walk are in the works. Those who have followed Chit Chat have a leg up on the prep work for teams but honestly, as Merrielle said so succinctly – whose Clumber can't sit??

Come and experience the many talents of your Clumber (or a loaner!) – talents you didn't even know they had! Clumber laughs, love, and an all-around good time are guaranteed.

It's hoped that, having warmed up in the Games, folks will take advantage of the CGC and Trick Dog testing. Every Clumber is capable of a CGC and TKN with just a little effort. Let your Clumber kid show you off and help you earn these titles.

Questions? Contact Norma at [clumber1@hughes.net](mailto:clumber1@hughes.net)

Of course, I can't tell you the secret....
